### Servathon

As you are probably aware, we recently kicked off our annual fundraiser, the Servathon. This new event was a success last year from many perspectives as we raised funds for WCCS and were a good testimony and blessing to many in our community. This year's Servathon is planned for Friday, April 30, and we look forward to a good fundraising drive. Our goal is to raise \$125 per student. Please encourage your student to participate in the fundraising side of this effort, and let us know if you would be available to help on the day of the Servathon!

As an incentive for the students to raise funds, prizes have been set up involving gift cards for those who reach certain goals, gift cards for those who raise the most money, and a pizza party for the class who has the highest average pledge amount per student.

## A Few Reminders . . .

### Hot Lunch Program

As a reminder, pizza will be served on Wednesdays for the remainder of the year.

### Re-enrollment

On Monday, April 12, re-enrollment packets went out to every family. Please return this paperwork at your earliest convenience (remember, the registration fee is discounted for those who turn the paper work in by May 17). Also, let us know if you are aware of any families that might be interested in our school. And finally, keep us in prayer as we plan for another school year!

### Baseball Update

Although the baseball team has had a few games cancelled due to weather and changes in other team's plans, the season is off to a good start. The guys are 2-0 having defeated Tri-County and Calvary Baptist. Come out, enjoy the game, and grab something to eat at the snack shack!

## Junior High KCEA

Last Friday, April 9, several of our junior high students travelled to High Point Baptist Academy to compete in the Keystone Christian Education Association's fine arts competition. Our young people did very well as seen in the results below:
